## THE PRESIDENT'S PLANS

To Spend Christmas at His Pine Knot, Va. Place.

Washington, Dec. 21.—The holiday plans of President Roosevelt and his family, as announced at the White House today, contemplate a trip to Pine Knot, Va., the day after Christmas and a stay at the Virginia estate of Mrs. Roosevelt for four or five days, when the family will return to Washington. Christmas will be celebrated at the White House as usual, and the president will be back for the public reception on New Year's day. The annual visit to Pine Knot affords the president opportunity for cross-country riding and wild turkey hunting, pastimes of which he is very fond.

Mrs. Roosevelt joins in many of the horseback rides and because of the seclusion of the Pine Knot estate an uninterrupted enjoyment of outdoor life may be had. Arrangements for the trip, which will be made over the Southern railway, were completed today.

To stop pain in the back, that stiffness of the joints and muscles, take Pineules. They are guaranteed. Don't suffer from rheumatism, backache, kidney trouble, when you get 30 days' treatment for \$1.00. A single dose at bed time proves their merit. Get them today. Sold by Live Oak Drug Co.

## DEPUTY SHERIFF KILLED

Officer Knight of Clay County Was Murdered Wednesday Night.

(Times-Union.)

Deputy Sheriff Knight of Clay county, was shot and killed by Ed Lewis, a negro, at Green Cove Springs Wednesday night.

No particulars concerning the killing were received here yesterday. The first information of the murder was when Chief Vinzant received a telegram from Sheriff Weeks of Clay county, stating that the officer had been killed and that Ed Lewis was charged with the crime.

Lewis, who has sailed under the aliases of Lean Boy and Candy Boy, has been in trouble before, and the police of this city are well acquainted with him. He is a tall negro, about six feet, and is very black. He has a small mustache, at least he wore one at the time of the killing, and weighs in the neighborhood of 150 pounds.

His description was given the police yesterday, and if he should come toward this city it is thought that he will be captured.

## GENERAL LEE SAYS NO.

Confederate Veterans Do Not Want Pensions From U. S. Government.

Montgomery, Ala., Dec. 18.—Gen. Stephen D. Lee, commander of the United Confederate Veterans, has vigorously but courteously protested, in a letter to Congressman R. P. Hobson, against the presentation of the latter's bill asking for an appropriation to pension Confederate soldiers. Gen. Lee says that such a bill would not represent the wishes of surviving Confederates, and, while serving no useful purpose, would do possible harm.

"I think I know the feeling of the old soldiers about the matter," he said, "Now, there is an indirect way in which United States help can be rendered. If the government will refund the cotton tax, which was collected from the South, the amounts apportioned each state might be turned over as a Confederate pension by the state receiving them."

## Was In Great Indian Mutiny.

Mr. Thos. Easton, of Philadelphia, arrived in Bartow a few days ago and is living with his daughter Mrs. A. A. McGonegal on Orange avenue. Mr. Easton is wonderfully well preserved for his age, being ninety-two years old his next birthday. He served in the British army during the Indian mutiny in '58, and afterwards served in the British Horse Police in South Africa until 1872 when that body disbanded, when he removed to Philadelphia where he has since lived. He is so well pleased with Bartow that he will make it his home in the future.—Bartow Courier-Informant.

## TELLS HOW TO MIX IT.

Directions To Prepare Simple Home Mixture.

A well-known authority on Rheumatism gives the readers of a large New York daily paper the following valuable, yet simple and harmless prescription, which any one can easily prepare at home:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Mix by shaking well in a bottle, and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and, being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of Rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will, no doubt, be greatly appreciated by many sufferers at this time.

Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our readers if asked to.

## BAILEY WON'T RESIGN

Texas Senator Scouts Idea—Not Ten Per Cent of Decent Democrats Oppose Him.

Washington, D. C., Dec. 21.—Senator Bailey of Texas today sent a formal signed statement to the Washington Post denying the report that he contemplated resigning from the Senate to make another race in the Texas Democratic primaries to completely vindicate himself. He says his opponents do not number 10 per cent of the decent Democrats of Texas. He will not humor the whims of political nondescripts, socialists and anarchists.

The story, which Senator Bailey says it was an outrage for decent newspapers to publish, was sent out from Washington last night to several newspapers, being based upon information generally deemed reliable.
